THE MANITOWOC COMPANY, INC.

Audit Committee Charter

Organization

The Audit Committee of the Board of Directors shall consist of no less than three members of the Board, including the chair, all of whom shall be independent. An Audit Committee member will be deemed “independent” only if he or she satisfies the Director Independence Criteria of the Company, the following additional independence criteria for Audit Committee members, and any applicable laws, rules and regulations.

Additional Independence Criteria for Audit Committee Members

In addition to the Director Independence Criteria, in order for a director who will serve on the Audit Committee of the Board to be considered an independent committee member, the director may not, other than in his or her capacity as a member of the Audit Committee, the Board or any other Board committee:

1. Accept directly or indirectly any consulting, advisory, or other compensatory fee from the Company, provided that compensatory fees do not include the receipt of fixed amounts of compensation under a retirement plan (including deferred compensation) for prior service with the Company (provided that such compensation is not contingent in any way on continued service); or
2. Be an affiliated person of the Company. (A director who sits on the board of directors of an affiliate of the Company is exempt from this requirement if the director, except for being a director on each such board, otherwise meets the independence requirements of paragraph 1 of this section for each such entity, including the receipt of only ordinary-course compensation for serving as a member of the board of directors, audit committee, or any other board committee of each such entity.)

The members of the committee, the designation of the committee chairperson and the term of membership shall be determined by the Board in accordance with the Company’s Corporate Governance Guidelines, taking into account the recommendations of the Corporate Governance Committee. Any committee member may be removed or replaced at any time by the affirmative vote of a majority of the Board. No member of the Audit Committee may serve simultaneously on the audit committee of more than two other public companies.

All members of the Audit Committee shall be financially literate, that is, each member shall have a working familiarity with basic finance and accounting practices, and at least one member of the Audit Committee shall meet the requirements of an “audit committee financial expert” established by SEC regulations and applicable laws. A member who satisfies this definition of

audit committee financial expert will also be presumed to have accounting or related financial management expertise.

The Audit Committee will comply with the Company's Corporate Governance Guidelines and with the rules and requirements of the New York Stock Exchange relating to audit committees, as they are amended from time to time.

The purpose of the Audit Committee is to (A) assist the Board of Directors (with particular emphasis on the tone at the top of the Company) in fulfilling its oversight of (1) the integrity of the Company's financial statements, (2) the Company's compliance with legal and regulatory requirements, (3) the independent auditor's qualifications and independence, (4) the performance, adequacy and effectiveness of the Company's internal and external audit functions and processes and the Company's independent auditors, (5) the adequacy and effectiveness of the Company's disclosure controls and procedures and its internal control over financial reporting and the activities of the Disclosure Committee, (6) the adequacy and effectiveness of the Company's financial reporting principles and policies and (7) the risks across the organization and the management and/or mitigation of those risks; and (B) prepare the report that SEC rules require be included in the Company's annual proxy statement.

At least annually, obtain and review a report by the Company's independent auditor describing: (a) the independent audit firm's internal quality-control procedures; (b) any material issues raised by the most recent internal quality-control review, or peer review, of the independent audit firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the independent audit firm, and any steps taken to deal with any such issues; and (c) (to assess the auditor's independence) all relationships between the independent auditor and the Company.

In making its evaluation, the Audit Committee should take into account the opinions of management and the Company's personnel responsible for the internal audit function. In addition to assuring the regular rotation of the lead audit partner as provided elsewhere in these duties and as required by law, the Audit Committee should further consider whether, in order to assure continuing auditor independence, there should be regular rotation of the audit firm itself.

16. Separate Meetings with Key Audit Participants. While the Audit Committee has the authority, responsibilities and duties set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine whether the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. Nor is it the duty of the Audit Committee to conduct investigations, to resolve disputes or disagreements, if any, between management and the

Company's independent auditor, or to assure compliance with laws and regulations and the Company's code of business conduct.
