

NEWS RELEASE

PHINIA Inc. to Report Q2 2023 Earnings

7/20/2023

AUBURN HILLS, Mich.--(BUSINESS WIRE)-- PHINIA Inc. (NYSE: PHIN), a leader in premium fuel systems, electrical systems and aftermarket parts will report second quarter results on Monday, August 7, 2023. PHINIA's earnings press release, earnings presentation and other materials will be available on the "Investors" section of PHINIA's website, [PHINIA - Investor Relations](#).

PHINIA will host a webcast to review second quarter 2023 results, full year 2023 outlook and take questions from the investment community at 8:30 AM Eastern Time on Monday, August 7, 2023. The webcast may be accessed at the "Investors" section of PHINIA's website under the heading "Events & Presentations". A replay of the webcast will be available at the same location after the conclusion of the presentation. Event information can be found below.

PHINIA completed its separation from BorgWarner Inc. (NYSE: BWA) on July 3, 2023. Prior to the separation, PHINIA was a wholly-owned subsidiary of BorgWarner comprised of the company's Fuel Systems and Aftermarket segments. PHINIA's second quarter 2023 results will reflect the company's business segment performance under BorgWarner's pre-spin ownership of PHINIA with carve out adjustments.

About PHINIA

PHINIA is an independent, market-leading, premium solutions and components provider with over 100 years of manufacturing expertise and industry relationships, with a strong brand portfolio that includes Delphi, Delco Remy® and Hartridge. With over 12,900 employees across 44 locations in 20 countries, PHINIA is headquartered in Auburn Hills, Michigan, USA.

Working across commercial vehicle and industrial applications (heavy-duty and medium duty trucks, off-highway construction, marine, agricultural and industrial applications), and light vehicles passenger cars, trucks, vans and sport-utility vehicles), PHINIA develops fuel systems and aftermarket parts that keep combustion engines operating at peak performance, as cleanly and efficiently as possible, while at the same time investing in future technologies that will unlock the potential of alternative fuels.

By providing what the market needs today, to become more efficient and sustainable, while also developing innovative products and solutions for a cleaner tomorrow, PHINIA is the partner of choice for a diverse array of industrial and aftermarket customers – powering a shared journey toward a carbon-neutral and carbon-free tomorrow.

(Delco Remy® is a registered trademark of General Motors corporation, licensed to BorgWarner PDS (Anderson) LLC)
