About PHINIA

PHINIA is an independent, market-leading, premium solutions and components provider with over 100 years of manufacturing expertise and industry relationships, with a strong brand portfolio that includes Delphi, Delco Remy® and Hartridge. With over 12,900 employees across 44 locations in 20 countries, PHINIA is headquartered in Auburn Hills, Michigan, USA.

Working across commercial vehicle and industrial applications (heavy-duty and medium duty trucks, off-highway construction, marine, agricultural and industrial applications), and light vehicles passenger cars, trucks, vans and sport-utility vehicles), PHINIA develops fuel systems and aftermarket parts that keep combustion engines operating at peak performance, as cleanly and efficiently as possible, while at the same time investing in future technologies that will unlock the potential of alternative fuels.

By providing what the market needs today, to become more efficient and sustainable, while also developing innovative products and solutions for a cleaner tomorrow, PHINIA is the partner of choice for a diverse array of industrial and aftermarket customers – powering a shared journey toward a carbon-neutral and carbon-free tomorrow.

(DELCO REMY is a registered trademark of General Motors LLC, licensed to PHINIA Technologies Inc.)
