EXPLANATORY NOTE

Cirrus Logic, Inc. is filing this Amendment No. 1 on Form 10-K/A (this “Amendment”) to amend its Annual Report on Form 10-K for the year ended March 26, 2016, originally filed with the Securities and Exchange Commission on May 25, 2016 (the “Original Filing”). Due to administrative error, Item 9A omitted the final sentence of the paragraph that affirmed the effectiveness of disclosure controls and procedures as of March 26, 2016.

This Amendment No. 1 does not reflect events occurring after the filing of the Original Filing, or modify or update the disclosures therein in any way other than as described in the paragraph above. This Amendment No. 1 does not modify or update the Company’s other filings made with the SEC subsequent to the filing of the Original Filing.

This Amendment is being filed solely to provide the addition of this statement to Item 9A, Controls and Procedures. This Amendment also includes new certifications by our chief executive officer and chief financial officer pursuant to Sections 302 of the Sarbanes-Oxley Act of 2002 as Exhibits 31.1 and 31.2.

PART II

ITEM 9A. Controls and Procedures

Evaluation of Disclosure Controls and Procedures (As restated)

As required by Rule 13a-15(b) of the Exchange Act, we have evaluated, under the supervision and with the participation of our management, including our chief executive officer (CEO) and chief financial officer (CFO), the effectiveness of the design and operation of our disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) of the Exchange Act) as of the end of the period covered by this Form 10-K. Our disclosure controls and procedures are designed to provide reasonable assurance that the information required to be disclosed by us in reports that we file or submit under the Exchange Act is (i) recorded, processed, summarized and reported within the time periods specified in the Securities and Exchange Commission rules and forms and (ii) accumulated and communicated to our management, including our CEO and CFO, as appropriate, to allow timely decisions regarding required disclosure. Based upon the evaluation, our management, including our CEO and CFO has concluded that our disclosure controls and procedures were effective as of March 26, 2016.

Management’s Annual Report on Internal Control Over Financial Reporting

Our management is responsible for establishing and maintaining adequate internal control over financial reporting, as such term is defined under Rule 13a-15(f). Under the supervision and with the participation of our management, including our CEO and CFO, we assessed the effectiveness of our internal control over financial reporting as of the end of the period covered by this report based on the criteria set forth in Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework).

Because of its inherent limitation, internal control over financial reporting may not prevent or detect all errors and all fraud. In addition, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions and that the degree of compliance with the policies or procedures may deteriorate.

Based on its assessment of internal control over financial reporting, management has concluded that our internal control over financial reporting was effective as of March 26, 2016, to provide reasonable assurance regarding the reliability of our financial reporting and the preparation of our financial statements for external purposes in accordance with U.S. generally accepted accounting principles. Our independent registered public accounting firm, Ernst & Young LLP, has issued an attestation report on management’s assessment of our internal control over financial reporting as of March 26, 2016, included in Item 8 of this report.

Changes in Internal Control Over Financial Reporting

There has been no change in the Company’s internal control over financial reporting during the quarter ended March 26, 2016, that has materially affected, or is reasonably likely to materially affect, the Company’s internal control over financial reporting. The Wolfson acquisition was migrated to the corporate ERP and financial reporting application instance in the quarter ended June 27, 2015.
