

Charter Audit Committee

Status

The Audit Committee (the Committee) is a committee of the Board of Directors (the Board) of Pfizer Inc. (the Company).

Membership

The Committee shall consist of three or more Directors, all of whom, in the judgment of the Board, shall be independent in accordance with New York Stock Exchange (NYSE) listing standards and all applicable laws and regulations. Each member shall, in the judgment of the Board, have the ability to read and understand the Company's basic financial statements. At least one member of the Committee shall, in the judgment of the Board, be an "audit committee financial expert" in accordance with the rules and regulations of the Securities and Exchange Commission (SEC), and at least one member (who may also serve as the audit committee financial expert) shall, in the judgment of the Board, have accounting or related financial management expertise in accordance with NYSE listing standards.

No member of the Committee may serve simultaneously on the audit committees of more than three public companies, including the Company, unless the Board determines that such simultaneous service would not impair the ability of such member to effectively serve on the Committee and such determination is disclosed in accordance with the rules of the NYSE.

The Chair of the Committee shall be designated by the Board, provided that if the Board does not designate a Chair, the members of the Committee, by a majority vote, may designate a Chair.

The members of the Committee shall be elected by the Board, based on the recommendation of the Corporate Governance Committee of the Board. Each member of the Committee shall serve for such term or terms as the Board may determine or until his or her earlier resignation, removal or death. Any vacancy on the Committee shall be filled by the Board. No member of the Committee shall be removed as a member, except by the Board.

In addition, the Committee shall prepare a report each year for inclusion in the Company's proxy statement relating to the election of Directors. Except as otherwise required by applicable laws, regulations or listing standards, all major decisions are considered by the Board as a whole.
