If you held all of your Wyeth shares in book-entry form or in the Wyeth BuyDIRECT Stock Purchase and Sale Plan, other than as described below, those shares have been exchanged automatically and you will receive a statement of ownership from Computershare, along with a check from Computershare for the cash payment to which you would be entitled pursuant to the merger agreement.

If you held Wyeth shares in both book entry form and in certificated form, *all* of your shares will be exchanged upon presentation of your Wyeth or American Home Products certificates. Note: If your certificated shares remain unexchanged for approximately six months following the closing of the merger; the shares you held in book-entry form will automatically be exchanged for the merger consideration applicable to your book-entry shares. However, to receive merger consideration for your certificated shares, you must surrender your Wyeth Common Stock certificates according to the instructions provided on the enclosed Exchange Form.

If you are a non-U.S. holder and held Wyeth shares in book-entry form or in the Wyeth BuyDIRECT Stock Purchase and Sale Plan, you will not receive the merger consideration to which you are entitled with respect to such shares or with respect to any certificated shares you may own, in each case, until you duly complete and return the enclosed Exchange Form, including the IRS Form W-8BEN, enclosed therewith.

Please see the answer to Question 12 above with respect to certain important U.S. federal income tax rules relating to information reporting and backup withholding that may apply to payments made to you. In addition, please contact an independent tax advisor about the application of these rules to you.

14. Will Wyeth BuyDIRECT Plan participants be automatically enrolled in Pfizer's Shareholder Investment Program?

No. This option was not possible under relevant program documents. If you wish to have your Pfizer dividends reinvested through the Pfizer Shareholder Investment Program or would like to make additional purchases of Pfizer common stock through such plan, you must enroll in the Pfizer Shareholder Investment Plan.

After submitting your certificates and properly completed and signed Exchange Form to Computershare, you will receive a copy of Pfizer's Shareholder Investment Plan prospectus and enrollment form in addition to your statement

indicating your Pfizer share ownership and check resulting from the merger consideration.

15. If amounts are to be withheld for U.S. federal income tax purposes, will that amount be withheld from the cash portion, stock portion, or a mix, of the merger consideration to which I am entitled?

16. What if my Wyeth shares are held with a broker or custodian bank?

If your shares are held in a brokerage account or with a custodian, no action is required from you. Your broker or bank will handle the exchange of your shares, administer your cash payment to you directly and credit your account with your Pfizer shares.
