Alternative Asset Manager Makes Debut on Annual Ranking of Massachusetts Employers

NEWTON, Mass.--(BUSINESS WIRE)-- **The RMR Group Inc. (Nasdaq: RMR)** announced today that it has been named one of The Top Places to Work in Massachusetts in the annual employee-based survey project from The Boston Globe, in the Large Employers category.

The Top Places to Work annually recognizes the most admired workplaces in the state as voted on by employees. Rankings are based on confidential survey information collected from nearly 66,000 individuals at more than 300 Massachusetts organizations. The survey measures employee opinions about their company's direction, execution, management, work, pay, benefits and engagement. Employers are placed into one of four groups: small, with 99 or fewer employees; midsize, with 100 to 249 workers; large, with 250 to 999; and largest, with 1,000 or more.

**Adam Portnoy, President and Chief Executive Officer** of RMR, made the following statement:

"We're proud to be recognized as a Top Place to Work by The Boston Globe and thank our employees for their commitment and support. At our foundation is a talented, entrepreneurial team that has propelled our growth in assets under management from \$12 billion to \$32 billion over the last decade. As one of the country's leading alternative asset managers, we are focused on attracting and retaining top talent, building an inclusive culture, and providing a challenging, innovative workplace."

This recognition follows several recent honors from industry, media and government organizations for RMR and the client companies it manages. In 2020, RMR was recognized by Boston Business Journal as the "Fastest Growing

Middle Market Company in Massachusetts,” by Commercial Property Executive as 9th in its list of Top Commercial Property Management Companies and by the U.S. EPA as an “ENERGY STAR Partner of the Year” for the second consecutive year. Last year, RMR achieved the 75th place ranking on Fortune magazine’s 100 Fastest-Growing Companies list for 2019 and also received the Real Estate Management Excellence (REME) Award for Employee & Leadership Development from the Institute of Real Estate Management (IREM).
