# TiVo Arrives in Canada with the Introduction of TiVo EDGE for Antenna, its Most Advanced Device Ever for Home Entertainment Viewing

10/1/2019

Company Release - 10/1/2019 8:05 AM ET

Boasting 4K UHD, Dolby Vision HDR and Dolby Atmos, TiVo EDGE for antenna is the complete home entertainment package, the only product of its kind available in Canada

SAN JOSE, Calif.--(BUSINESS WIRE)--

TiVo (NASDAQ: TIVO), the company that brings entertainment together, today marked its introduction to the Canadian market with TiVo EDGE™ for antenna, a premium, 4K Ultra High Definition (UHD) capable, all-in-one media device designed to work with an HD antenna and equipped with a premium on-screen user experience.

TiVo EDGE for antenna is a live TV, DVR, and streaming player that gives customers access to everything they need to be able to easily find and watch the shows they love, and the only product of its kind available in Canada. TiVo EDGE for antenna delivers a compact, elegant device that transforms searching into watching and offers TiVo features including:

- SkipMode® - which allows viewers to skip to the end of a commercial break and resume watching instantly with the touch of a button
- Voice Control and OneSearch™ - allowing viewers to simultaneously search live TV, TiVo EDGE, and streaming apps to easily find what they're looking for using their voice
- OnePass™ - allows viewers to track down every season and episode of their favorite shows, automatically recording current and upcoming episodes and adding them to the shows' playlist, ready to be watched
- Popular streaming apps like Netflix and Amazon Prime Video – the only DVR on the Canadian market to do so

TiVo EDGE for antenna gives viewers access to live, recorded, and streaming TV all from one device, making it a

great alternative for those that have cut the cord but still want to enjoy a cable TV-like experience. TiVo EDGE for antenna includes Dolby Atmos, and Dolby Vision HDR, optimizing every scene for the richest, sharpest, and most vibrant picture possible.

The TiVo EDGE for antenna is a cost effective solution, providing a cable TV-like experience at a price point that other OTA tuners and streamers don't offer. It includes a 500 GB hard drive (up to 75 HD recording hours), and two tuners.

"We are thrilled to be launching TiVo EDGE for antenna in Canada. The TiVo EDGE is our latest innovation that allows customers to tame the entertainment chaos across live TV, DVR and online streaming services," said Ted Malone, vice president of consumer products and services, TiVo. "TiVo EDGE offers a best-in-class video entertainment experience for TV viewers, including cord-cutters and digital cable TV lovers, connecting them quickly to all of their favorite shows and movies."

The TiVo EDGE for antenna is available now for CAD 299.99 and has a service plan of CAD 8.99 monthly or CAD 89.99 annually.
