

NEWS RELEASE

TiVo and iHeartRadio Partner to Bring Industry Leading Digital Radio Service to Even More TVs

2015-01-05

TIVO AND IHEARTRADIO TO
DELIVER ACCESS TO THOUSANDS
OF LIVE RADIO STATIONS AND
USER-CREATED CUSTOM STATIONS
BASED ON 20 MILLION SONGS AND
800,000 ARTISTS

Company Release - 1/5/2015 9:00 AM ET

LAS VEGAS, NV -- (Marketwired) -- 01/05/15 -- TiVo Inc. (NASDAQ: TIVO), a leader in the advanced television entertainment market, today announced iHeartRadio, iHeartMedia's industry-leading streaming music and digital radio service, will be available on the TiVo Roamio, TiVo Mini and TiVo Premiere line of devices. The digital radio service delivers everything listeners want in an all-in-one platform: Instant access to live radio stations from across the country, user-created Custom Stations inspired by a favorite artist or song and thousands of curated digital stations -- now from their TiVo.

"TiVo offers a dynamic experience in bringing together cable content, streaming video services and the web and we're proud to partner with them to bring our unparalleled catalogue of live radio stations and personalized, custom stations to their devices," said Darren Davis, President of iHeartRadio.

This newest addition to the TiVo platform makes it easy for users to jam out to their favorite music throughout the home with one device. With instant access to all the best music, the iHeartRadio library includes more than 20 million songs, 800,000 artists and 2,000 live radio stations. Browse for new music or create your own commercial

free stations from all your favorite genres including pop, country, urban, rock, talk, college and more.

"We are thrilled to bring iHeartRadio to our users," said Evan Young, General Manager, Content & Applications at TiVo. "It's our goal to offer a variety of quality video and music apps on our platform and iHeartRadio offers something extremely unique between providing access to live radio stations from across the country to the ability to create stations based on your favorite artists and songs."

iHeartRadio Features Include:

- Instant access - Whether you're looking for live radio stations or to custom create your own, iHeartRadio offers quick access anytime and anywhere.
- Variety - Access to thousands of live radio stations including pop, country, urban, rock, talk, college and more from coast-to-coast.
- Browse and scan - Browse radio stations by music genre and location, then hit the scan button to move from radio station to radio station for enhanced music discovery
- Thumbs up or thumbs down - Let DJs know which songs you love and which you don't
- Personalization - Create your own personalized experience from iHeartRadio's catalog of over 20 million songs and 800,000 artists to create your own commercial-free, uninterrupted custom station
- Mood - Browse through a menu of moods and activities to discover new music that is "Perfect For" waking up, staying up, working out, taking a road trip and many other daily moods or activities.

Availability

TiVo users can expect the iHeartRadio application to appear on their TiVo Roamio, TiVo Mini and TiVo Premiere line of devices during a rolling update over the next few weeks.

About iHeartMedia

With 245 million monthly listeners in the U.S., 97 million monthly digital uniques and 196 million monthly consumers of its Total Traffic and Weather Network, iHeartMedia has the largest reach of any radio or television outlet in America. It serves over 150 markets through 859 owned radio stations, and the company's radio stations and content can be heard on AM/FM, HD digital radio, satellite radio, on the Internet at **iHeartRadio.com** and on the company's radio station websites, on the iHeartRadio mobile app, in enhanced auto dashes, on tablets and smartphones, and on gaming consoles.

iHeartRadio, iHeartMedia's digital radio platform, is the No. 1 all-in-one digital audio service with over 430 million downloads; it reached its first 20 million registered users faster than any digital service in Internet history and reached 50 million users faster than any digital music service and even faster than Twitter, Facebook and Pinterest. The company's operations include radio broadcasting, online, mobile, digital and social media, live concerts and

events, syndication, music research services and independent media representation. Visit **iHeartMedia.com** for more company information.

About TiVo Inc.

Founded in 1997, TiVo Inc. (NASDAQ: TIVO) developed the first commercially available digital video recorder (DVR). TiVo offers the TiVo service and TiVo DVRs directly to consumers online at **www.TiVo.com** and through third-party retailers. TiVo also distributes its technology and services through solutions tailored for cable, satellite and broadcasting companies. Since its founding, TiVo has evolved into the ultimate single solution media center by combining its patented DVR technologies and universal cable box capabilities with the ability to aggregate, search, and deliver millions of pieces of broadband, cable, and broadcast content directly to the television. An economical, one-stop-shop for in-home entertainment, TiVo's intuitive functionality and ease of use puts viewers in control by enabling them to effortlessly navigate the best digital entertainment content available through one box, with one remote, and one user interface, delivering the most dynamic user experience on the market today. TiVo also continues to weave itself into the fabric of the media industry by providing interactive advertising solutions and audience research and measurement ratings services to the television industry.
