About TiVo

TiVo Inc. (NASDAQ: TIVO) is a global leader in next-generation television services. With global headquarters in San Jose, CA and offices in New York, NY, Durham, NC, and Warsaw, Poland, TiVo's innovative cloud-based Software-as-a-Service solutions enable viewers to consume content across multiple screens in and out-of-the home. The TiVo solution provides an all-in-one approach for navigating the 'content chaos' by seamlessly combining live, recorded, on-demand and over-the-top television into one intuitive user interface with simple universal search, discovery, viewing and recording from a variety of devices, creating the ultimate viewing experience. TiVo products and

services are available at retail or through a growing number of pay-TV operators worldwide. TiVo's multiple subsidiary companies provide the broader television industry and consumer electronics manufacturers with set-top box, cloud-based video discovery and recommendation options, interactive advertising solutions, and audience research and measurement services. More information at: www.TiVo.com.
