2017-01-04

Company Release - 1/4/2017 8:02 AM ET

LAS VEGAS--(BUSINESS WIRE)-- TiVo Corporation (NASDAQ: TIVO), a global leader in entertainment technology and audience insights, today announced that Reliance Jio Media Pvt. Ltd (RJMPL) has selected TiVo's CubiTV to enable superior entertainment experiences for subscribers.

CubiTV will power RJMPL's advanced HD and 4K set-top box (STB) platforms. Key features of the product will include unified access to linear TV with PVR, Video on Demand, Catch-up TV and network PVR, content alongside access to over-the-top (OTT) services.

"TiVo's deal with RJMPL further demonstrates our product innovations to offer hybrid television and content discovery solutions in markets like India where rapid digitization is occurring," said Michael Hawkey, senior vice president and general manager of user experience, TiVo. "TiVo will help deliver new set of features and functionalities for companies like RJMPL that will give consumers access to a whole breadth of new experiences."

The CubiTV hybrid television solution is widely available and is used by operators across Africa, Asia, Europe, Latin America, and now India. The solution is cost effective, accessible, and provides a superb user experience to subscribers expecting the latest advancements in television available today.
