# NetApp Hosts Technology Sessions at 2023 INSIGHT Conference in Las Vegas, Nevada

2023-10-17

**SUNNYVALE, CA. – October 17, 2023** – NetApp (NASDAQ: NTAP) will hold their 2023 INSIGHT™ customer conference in Las Vegas, Nevada on October 23 – 25, 2023.

On Monday, October 23, 2023, NetApp will host a technology session for financial analysts from 9:30 a.m. – 1:00 p.m. Pacific Time and will include chief executive officer, George Kurian and several tech specialists discussing NetApp's differentiation in the areas of enterprise storage, AI, Cloud and Hybrid Cloud, and Kris Newton, vice president, investor relations, will moderate a customer panel. Audience members will include financial analysts and investors.

Furthermore, NetApp will also host a keynote session of mainstage headliners from 3:00 p.m. – 4:30 p.m. Pacific Time which will include special tech luminaries, industry leaders and entertainment icons.

## How to Participate

Live video webcasts of both events will be available at [investors.netapp.com](https://investors.netapp.com). A webcast replay of the events will be available at [investors.netapp.com](https://investors.netapp.com) approximately 24 hours after the event.

## About NetApp

NetApp is a global, cloud-led, data-centric software company that empowers organizations to lead with data in the age of accelerated digital transformation. The company provides systems, software, and cloud services that enable them to run their applications optimally from data center to cloud, whether they are developing in the cloud, moving to the cloud, or creating their own cloudlike experiences on premises. With solutions that perform across diverse environments, NetApp helps organizations build their own data fabric and securely deliver the right data, services, and applications to the right people—anytime, anywhere.
