

McEwen Mining operates the Black Fox Complex through an experienced workforce that oversees the fully operational Black Fox underground mine. McEwen Mining is exploring and working towards potentially commissioning multiple projects in the area, such as Grey Fox, Froome, Stock East in Matheson and the Lexam projects in Timmins. **McEwen is now hiring for the positions of:**

## **Senior Project Engineer**

Reporting to the Manager of Technical Services, the Senior Project is responsible to assist in leading the Engineering department in the design and scheduling of the underground mine development.

### **Primary Responsibilities Include:**

- Develop and execute overall strategy for various mines and satellite deposits.
- Experience with underground mining projects from conceptual to PEA level studies.
- NI43-101 technical report experience.
- Coordinate and develop short and long term mine designs and sequencing.
- Experience in scheduling and cost modeling.
- Develop and provide training to team of technicians and engineers on drill & blast longhole stopes, development, ventilation, services and ground support requirements.
- Coordinate and develop strategic mine plans to achieve a safe productive extraction strategy.
- Adhere to all relevant corporate policies and procedures.
- Perform other duties as assigned.
- Ensure effective communication and interaction with other departments.

### **Qualifications and Skills Requirement:**

- A safe positive can do attitude.
- Team player.
- Self-driven.
- Autocad, Amine and Deswik skills.
- +10 years broad mining experience.
- Broad engineering experience with budgeting, planning, scheduling, equipment selection, geotechnical, ventilation, projects.
- Experience with continuous improvement methodologies.
- Solid experience in underground production in a narrow vein and bulk mining environment.
- Thorough understanding of the Mining Act and legislation.
- Experience developing risk assessment and hazard operations review processes.
- Must be authorized to work in Canada.

### **Competitive compensation • Generous benefits packages • Great work environment**
