

MCEWEN MINING ANNOUNCES PRICING OF US\$50 MILLION PUBLIC OFFERING

TORONTO, November 20, 2019 - McEwen Mining Inc. (the "Company" or "McEwen") (NYSE: MUX) (TSX: MUX) today announced that it has priced an underwritten public offering of 37,750,000 units, each unit consisting of one share of common stock and one half of one warrant to purchase one share of common stock, at a public offering price of \$1.325 per unit for aggregate gross proceeds of approximately US\$50,000,000. Each full warrant is exercisable for one share of common stock with an exercise price of \$1.7225 per share and are exercisable immediately and for five years following issuance. The Company has granted to the underwriters a 30-day option to purchase up to an additional 5,662,500 shares of common stock and/or additional warrants to purchase up to 2,831,250 shares of common stock at the public offering price per share and per warrant, less the underwriting discounts and commissions. The offering is expected to close on or about November 22, 2019, subject to customary closing conditions.

Roth Capital Partners and Cantor Fitzgerald Canada Corporation are acting as joint book-running managers for the offering. The Company intends to use the net proceeds from the offering for advancing its current mining projects and exploration prospects, for additional operating capital and for general working capital purposes.

The securities described above are being offered pursuant to a registration statement on Form S-3 (file no. 333-224476) that was filed in the United States with the Securities and Exchange Commission (the "SEC") and declared effective on July 6, 2018 and in Canada.
