Annual General Meeting of Shareholders

Rob McEwen, Chairman and CEO of US Gold invites you to attend the company's 2010 Annual Meeting in Toronto, Ontario. Rob will be providing shareholders and potential investors an update on the company's activities and his outlook on gold.

El Gallo, our near surface high-grade deposit in Mexico continues to grow under an $18 million drilling program. Our gold asset in **Nevada's prolific Cortez Trend** is getting closer to being a mine. We have $33 million in cash, no debt and trade over 1 million shares daily. US Gold is a story to own.

Monday June 14th, 2010
4:00 pm
1 King Street West. Toronto.
Grand Banking Hall (2nd Floor)
