NEWS RELEASE

Becker Professional Education Now Offers Online Project Management Courses

2015-08-11

Becker partners with MindEdge Learning to provide accessible online courses

DOWNERS GROVE, Ill.--(BUSINESS WIRE)-- Becker Professional Education, a global leader in professional education and a part of DeVry Education Group, is pleased to announce its partnership with MindEdge Learning, to offer its first ever online project management courses. All online courses are available to the general public as well as corporations and government agencies, providing 180 days of unlimited student access.

“We are excited to offer Becker’s project management courses to business professionals in an online format, at their own convenience, on their own schedule,” said John Roselli, president at Becker Professional Education. “We hope to continue expanding our presence and the courses we offer current and aspiring project managers. We are passionate about this industry and helping professionals advance their careers.”

The following Online courses have been added to Becker’s Project Management offerings:

- **PMP® Exam Review** - Provides a comprehensive review of the 10 Project Management Body of Knowledge (*PMBOK® Guide*) areas covered in the PMP® certification exam.
- **Introduction to Agile** - Explores the methodologies and practices of Agile development and explains the key concepts and principles that form the foundation of Agile project management.
- **PMI-ACP® Exam Review** - Designed for Agile practitioners preparing to take the PMI-ACP® Exam, this course provides a review of Agile concepts and principles covered on the exam.
