DeVry University Launches Integrated Workforce Solutions through “DeVryWORKS”

2016-06-16

Providing comprehensive services to help employers grow through developing, retaining and attracting talent

DOWNERS GROVE, Ill.--(BUSINESS WIRE)-- Recognizing the value of a strong, strategic approach to today’s most pressing workforce challenges, DeVry University announced the launch of DeVryWORKS, its expanded and fortified workforce solutions team. The group brings together the leadership and strategic expertise needed to make a dynamic difference in talent initiatives in today’s competitive marketplace.

Services offered by DeVryWORKS include tailored learning initiatives for staff development with programs offered by DeVry Education Group’s institutions, as well as talent sourcing through DeVry University’s pool of students and alumni.

DeVry University has a tenured history of working with leading employers, including 46 of the Fortune 100, to help retain and attract top talent, and support professional development and career advancement for their workforce. Bringing all of its employer resources together, allows for a single point of contact with DeVryWORKS, an opportunity to streamline and focus client services as well as strengthen the relationship with education partners through strategic consultation services. The new venture also supports DeVry University’s long-standing commitment to connecting students and graduates to employment opportunities.

Partnering with DeVryWORKS means:

- The vision to provide learning solutions to develop and retain the leaders of tomorrow
- The ability to train employees with the knowledge and skills organizations need
- The capacity to source the right talent from DeVry’s nationwide pool of students and alumni, which include military candidates

DeVryWORKS offers fresh approaches to enhancing talent acquisition, staff development and employee engagement initiatives, bringing employer partners solutions to address their most challenging and complex talent sourcing needs. Branded communications, recruitment campaigns and

preferred partner tuition for employees and immediate family members are also provided.

“DeVryWORKS works with companies to help them become an employer of choice. We help build brands, develop leaders, enhance talent acquisition efforts, and provide tailored learning solutions to build employee skill sets, which strengthens employee retention,” said Joe Mozden, vice president of DeVryWORKS. “Our commitment to providing a high quality education goes beyond the classroom. We provide a powerful education partnership that benefits our students and our employer partners alike.”
