

FACT SHEET

We're Chemours, a different kind of chemical company.

We are built upon a 200-year-old legacy and a world-class product portfolio. We bring everyday convenience to virtually everything people touch—in industries ranging from automotive, paints, and plastics to electronics, construction, energy, and telecommunications. We bring solutions that are better, safer, more reliable, and more sustainable, through the power of chemistry.

A POSITION OF STRENGTH

Creating Higher Value Chemistry for our customers, our investors, and society.

We focus on investing in areas where we are the world leaders—leveraging our differentiated portfolio of performance chemicals.

Our Five-Point Transformation Plan

We're a company whose organization-wide transformation is driven by accountability, sustainability, and being simpler, nimbler, and faster to market—a company that's leading the charge to deliver value to customers and shareholders around the globe.

We've made a lot of progress, and are committed to completing our transformation plan as we continue to drive toward enhancing our Adjusted EBITDA by \$500 million^{1,2} and improving our net leverage position to ~3x in 2017:

- **Reduce costs** by \$350 million by the end of 2017¹
- **Grow market positions** in TiO₂, Opteon™, and Mining Solutions

- **Refocus investments** by concentrating capital spending on key growth initiatives
- **Optimize our portfolio** by focusing on higher-value businesses
- **Enhance our organization** through simpler processes, rapid decision making, and sustainability

CHEMOURS: AN OVERVIEW

OUR PURPOSE

We help create a colorful, capable, and cleaner world through the power of chemistry.

Colorful

Making the everyday world brighter and more vibrant with our advances in Titanium Dioxide.

Capable

Making processes more efficient and productive with Fluoroproducts and Chemical Solutions.

Cleaner

Providing solutions that have a positive impact on people's lives and as little impact as possible on our planet.

WHAT WE DO

Catalysts for Change

Titanium Technologies

#1 global producer of titanium dioxide (TiO₂): more than 80 years of experience in products for coatings, plastics, laminates, and paper

Fluoroproducts

#1 global maker of fluoroproducts: base and low global warming potential (GWP) refrigerants, specialty products, industrial resins, monomers, consumer and industrial finishes, melts, and surface protection

Chemical Solutions

#1 sodium cyanide producer in the Americas: via our Mining Solutions team, a leader in safe, efficient production of sodium cyanide for the extraction of gold and other precious metals

OUR BRANDS

70+ manufacturing facilities, laboratory sites, and offices globally

7,000 employees worldwide

Serving customers in more than **130** countries

THE FIVE VALUES WE LIVE BY

We believe that the power of chemistry can have a positive impact on the world. We live that commitment through the principles that drive us:

Customer Centered

Refreshing Simplicity

Collective Entrepreneurship

Safety Obsession

Unshakeable Integrity
