Forward-Looking Statements

Statements in this press release that are not strictly historical are "forward-looking" statements. Forward-looking statements involve known and unknown risks, which may cause the company's actual future results to differ materially from expected results. These risks include, among others, general economic conditions, local real estate conditions, tenant financial health, the availability of capital to finance planned growth, continued volatility and uncertainty in the credit markets and broader financial markets, property acquisitions and the timing of these acquisitions, charges for property impairments, and the outcome of legal proceedings to which the company is a party, as described in the company's filings with the Securities and Exchange Commission. Consequently, forward-looking statements should be regarded solely as reflections of the company's current operating plans and estimates. Actual operating results may differ materially from what is expressed or forecast in this press release. The company undertakes no obligation to publicly release the results of any revisions to these forward-looking statements that may be made to reflect events or circumstances after the date these statements were made.
