REALTY INCOME INCREASES COMMON STOCK MONTHLY DIVIDEND 38th CONSECUTIVE QUARTERLY INCREASE

ESCONDIDO, CALIFORNIA, March 14, 2007.... Realty Income Corporation (Realty Income), The Monthly Dividend Company[®], (NYSE:O) today announced that its Board of Directors has declared an increase in the Company's common stock monthly dividend to \$0.127125 per share from \$0.1265 per share. The new monthly dividend amount represents an annualized amount of \$1.5255 per share. The dividend is payable on April 16, 2007 to shareholders of record as of April 2, 2007. This is the 38th consecutive quarter in which the Company has increased the amount of its monthly dividend and the 43rd increase since Realty Income went public in 1994. The Company continues its long-term policy of declaring and paying common stock dividends on a monthly, rather than on a quarterly, basis.

Tom A. Lewis, Chief Executive Officer of Realty Income commented, "We are delighted to have been able to increase the amount of the monthly dividend again this quarter. With the payment of the April dividend, we will have made 441 consecutive monthly dividend payments. Our goal is to continue to provide consistent performance results and dependable monthly income to our shareholders. Increasing the amount of the dividend on a regular basis is the best evidence we can provide of our progress towards this goal."

Realty Income, The Monthly Dividend Company[®], is a real estate company dedicated to providing shareholders with dependable monthly income. To date the Company has declared 441 consecutive monthly dividends throughout its 38-year operating history and increased the dividend 43 times since Realty Income's listing on the New York Stock Exchange in 1994. The monthly dividend is supported by the cash flow from over 1,955 retail properties owned under long-term lease agreements with leading regional and national retail chains. The Company is an active buyer of net-leased retail properties nationwide.

Forward-Looking Statement

Statements in this press release, which are not strictly historical, are "forward-looking" statements. Forward-looking statements involve known and unknown risks, which may cause the Company's actual future results to differ materially from expected results. These risks include, among others, general economic conditions, local real estate conditions, the availability of capital to finance planned growth, property acquisitions and the timing of these acquisitions, charges for property impairments, the outcome of any legal proceedings to which the Company is a party, and the profitability of the Company's subsidiary, Crest Net Lease, as described in the Company's filings with the Securities and Exchange Commission. Consequently, such forward-looking statements should be regarded solely as reflections of the Company's current operating plans and estimates. Actual operating results may differ materially from what is expressed or forecast in this press release. The Company undertakes no obligation to publicly release the results of any revisions to these forward-looking statements that may be made to reflect events or circumstances after the date these statements were made.
