FOR  
IMMEDIATE  
RELEASE

## REALTY INCOME INCREASES MONTHLY DIVIDEND 6.6% Declares 434<sup>th</sup> Consecutive Monthly Dividend

ESCONDIDO, CALIFORNIA August 22, 2006....Realty Income Corporation (Realty Income), The Monthly Dividend Company<sup>®</sup>, (NYSE:O) today announced that its Board of Directors increased the monthly common stock dividend 6.6%, to \$0.12525 per share from \$0.1175 per share. The dividend is payable on September 15, 2006 to shareholders of record as of September 1, 2006. This is the third dividend increase in 2006 and the 40<sup>th</sup> dividend increase since the Company went public in 1994. The new monthly dividend amount represents an annualized rate of \$1.503 per share as compared to the previous annualized rate of \$1.41 per share. Realty Income continues its long-term policy of declaring and paying dividends on a monthly, rather than on a quarterly basis.

Commenting on the increase, Tom A. Lewis, Chief Executive Officer, said, "We are pleased that the continued strength in the Company's operations allow us to substantially increase the amount of the dividend we pay to our shareholders. For the quarter ended June 30, 2006, our funds from operations (FFO) per share increased 10.3% and the dividend payout ratio was 81.6%, thus we are able to raise the amount of the monthly dividend while still maintaining a solid dividend coverage ratio. The September 15, 2006 dividend amount of \$0.12525, or \$1.503 annually, will represent an increase of 9.3 cents per share, as compared to previous annualized dividend per share amount of \$1.41. In an environment where attractive yields remain scarce, we recognize the difficulty in finding ample sources of supplemental income for retired investors. This dividend increase demonstrates our commitment to continuing to provide a dependable source of monthly income that increases over time."

Realty Income, The Monthly Dividend Company<sup>®</sup>, is a New York Stock Exchange real estate company dedicated to providing shareholders with dependable monthly income. To date the Company has paid 433 consecutive monthly dividends throughout its 37-year operating history. The monthly income is supported by the cash flow from nearly 1700 retail properties owned under long-term lease agreements with leading regional and national retail chains. The Company is an active buyer of net-leased retail properties nationwide.
