Universal Display Corporation Announces Conference Call to Discuss Second Quarter 2005 Results

EWING, N.J. (BUSINESS WIRE) Universal Display Corporation (NASDAQ:PANL), a leading developer of organic light emitting diode (OLED) technologies for flat panel displays, lighting, and other opto-electronic applications, today announced that its results for the second quarter of 2005 will be released on Tuesday, August 9, 2005 after market close, at which time a copy of the earnings release will be available on the Company's website at www.universaldisplay.com.

In conjunction with this release, Universal Display will host a conference call, followed by a question and answer session, on August 9th at 5:00 PM Eastern Time. Interested parties may participate by calling 973-409-9254 at 4:55 PM Eastern Time on August 9th. A taped replay of the conference call will be available within two hours of the conclusion of the call and will remain available through Tuesday, August 23, 2005. The number to call for the taped replay is 973-341-3080 and the conference PIN is 6296547.

The conference call will be simultaneously broadcast live over the Internet through a webcast on the Universal Display website. To access the call, please visit the website at http://www.universaldisplay.com/investors.htm. An online archive of the web cast will be available within two hours of the conclusion of the call and will remain available through Friday, September 9, 2005.

About Universal Display Corporation

Universal Display Corporation is a world leader in developing and commercializing innovative OLED technologies and materials for use in the electronic flat panel display and other markets. Universal Display is working with a network of world-class organizations including Princeton University, the University of Southern California, AIXTRON AG, AU Optronics Corporation, DuPont Displays, Inc., PPG Industries, Inc., Samsung SDI Co., Seiko Epson Corporation, Sony Corporation, Tohoku Pioneer Corporation and Toyota Industries Corporation. Universal Display currently has rights in over 700 issued and pending patents worldwide.

Universal Display is located in the Princeton Crossroads Corporate Center in Ewing, New Jersey, minutes away from its research partner at Princeton University. Universal Display's state-of-the-art facility is designed to further technology development, technology transfer to manufacturing partners and work with customers to develop products to meet their needs for flat panel displays. Visit Universal Display on the Web at www.universaldisplay.com.

All statements in this document that are not historical, such as those relating to Universal Display Corporation's PHOLED(TM) technology and potential applications of that technology, are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. You are cautioned not to place undue reliance on any forward-looking statements in this document, as they reflect Universal Display Corporation's current views with respect to future events and are subject to risks and uncertainties that could cause actual results to differ materially from those contemplated. These risks and uncertainties are discussed in greater detail in Universal Display Corporation's periodic reports on Form 10-K and Form 10-Q filed with the Securities and Exchange Commission, including, in particular, the section entitled 'Factors that May Affect Future Results and Financial Condition' in Universal Display Corporation's annual report on Form 10-K for the year ended December 31, 2004. Universal Display Corporation expressly disclaims any obligation or undertaking to release publicly any updates or revisions to any forward-looking statement contained in this document.
