Universal Display Corporation Announces Conference Call to Discuss Year End 2004 Results

EWING, N.J. (BUSINESS WIRE) Universal Display Corporation (NASDAQ:PANL), a leading developer of organic light emitting diode (OLED) technologies for flat panel displays, lighting, and other opto-electronic applications, today announced that its results for year-end 2004 will be released on Monday, March 14, 2005 after market close. You may access a copy of the earnings release on the Company's web site at www.universaldisplay.com.

In conjunction with this release, Universal Display Corporation will host a conference call, followed by a question and answer session, on Monday, March 14th at 5:00 PM Eastern Time. Interested parties may participate by calling 973-409-9254 at 4:55 PM Eastern Time on March 14th. A taped replay of the conference call will be available within two hours of the conclusion of the call and will remain available through Monday, March 21, 2005. The number to call for the taped replay is 973-341-3080 and the conference PIN is 5802305.

The conference call will be simultaneously broadcast live over the Internet through a webcast on the Company's website. To access the call, please visit the Company's website at http://www.universaldisplay.com/investors.htm. An online archive of the web cast will be available within two hours of the conclusion of the call and will remain available through Thursday, April 14, 2005.

About Universal Display Corporation

Universal Display Corporation is a world leader in developing and commercializing innovative OLED technologies and materials for use in the electronic flat panel display and other markets. Universal Display is working with a network of world-class organizations including Princeton University, the University of Southern California, AIXTRON AG, AU Optronics Corporation, DuPont Displays, Inc., PPG Industries, Inc., Samsung SDI Co., Seiko Epson Corporation, Sony Corporation, Tohoku Pioneer Corporation, and Toyota Industries Corporation. Universal Display currently has rights in approximately 600 issued and pending patents worldwide.

Universal Display is located in the Princeton Crossroads Corporate Center in Ewing, New Jersey, minutes away from its research partner at Princeton University. Universal Display's 21,000 sq. ft. state-of-the-art facility is designed to further technology development, technology transfer to manufacturing partners and work with customers to develop products to meet their needs for flat panel displays.
