

## LSC ANNOUNCES ENGAGEMENT WITH HAITONG INTERNATIONAL CAPITAL FOR REVIEW OF STRATEGIC ALTERNATIVES IN ASIA

**TORONTO, ONTARIO – January 31, 2018** – LSC Lithium Corporation (“LSC” or the “Company”) (TSXV:LSC) is pleased to announce that continuing with its strategic review process, it has engaged a wholly owned subsidiary of Haitong International Securities Group Limited (“Haitong International”) as its non-exclusive financial advisor to focus on sourcing and introducing potential Asia-based investors to the Company. Haitong International brings with it an extensive network of Asian investors and it will work with LSC to assess future business alternatives to maximise shareholder value. As previously announced in the Company’s press release dated August 18, 2017, LSC will continue to work with the Bank of Montreal as lead advisor throughout the review process.

There is no defined timeline for the Company’s strategic review. This review of strategic alternatives may result in a variety of outcomes or no outcome and there can be no assurance that the Company will pursue or execute any specific action or transaction. The Company does not intend to make any further announcements or comments regarding the review of strategic alternatives unless required by law.

### ABOUT HAITONG INTERNATIONAL SECURITIES GROUP LIMITED

Haitong International Securities Group Limited (“Haitong International”; Stock Code: 665.HK) is an international financial institution with established presence in Hong Kong and a rapidly expanding network across the globe. It strives to serve as a bridge linking up the Chinese and overseas capital markets. The parent company of Haitong International is Haitong Securities Co. Ltd (“Haitong Securities”, Stock Code: 600837.SH; 6837.HK).

To date, Haitong International is well positioned to serve about 200,000 corporate, institutional, as well as retail and high-net worth clients worldwide. Its well established investment banking business platform provides corporate finance, wealth management, asset management, fixed income, currency and commodities (FICC), institutional equities and a full spectrum of financial products and services. Haitong International possesses a sound risk management system that is in line with international standards. Haitong International has been assigned a “Baa2” long-term issuer rating by Moody’s and a “BBB” long-term credit rating by Standard and Poor’s. Haitong International has a global financial servicing network covering the world’s major capital markets including Hong Kong, Singapore, New York, London, Tokyo, Mumbai and Sydney, thereby making it a leading global financial institution with international competitiveness, systematic importance and brand influence.

### ABOUT LSC LITHIUM CORPORATION:

LSC Lithium has amassed a large portfolio of prospective lithium rich salars and is focused on developing its tenements located in five salars: Pozuelos, Pastos Grandes, Rio Grande, Salinas Grandes, and Jama. All LSC tenements are located in the “Lithium Triangle,” an area at the intersection of Argentina, Bolivia, and Chile where the world’s most abundant lithium brine deposits are found. LSC Lithium has a land package portfolio totaling approximately 300,000 hectares, which represents extensive lithium prospective salar holdings in Argentina.

**Forward-Looking Statements**

*Certain statements contained in this news release constitute forward-looking information. These statements relate to future events or future performance, including statements regarding the strategic review and its outcome. The use of any of the words “could”, “anticipate”, “intend”, “expect”, “believe”, “will”, “projected”, “estimated” and similar expressions and statements relating to matters that are not historical facts are intended to identify forward-looking information and are based on LSC’s current belief or assumptions as to the outcome and timing of such future events. Whether actual results and developments will conform with LSC’s expectations is subject to a number of risks and uncertainties including factors underlying management’s assumptions, such as risks related to: title, permitting and regulatory risks; exploration and the establishment of any resources or reserves on LSC properties; volatility in lithium prices and the market for lithium; exchange rate fluctuations; volatility in LSC’s share price; the requirement for significant additional funds for development that may not be available; changes in national and local government legislation, including permitting and licensing regimes and taxation policies and the enforcement thereof; regulatory, political or economic developments in Argentina or elsewhere; litigation; title, permit or license disputes related to interests on any of the properties in which the Company holds an interest; excessive cost escalation as well as development, permitting, infrastructure, operating or technical difficulties on any of the Company’s properties; risks and hazards associated with the business of development and mining on any of the Company’s properties. Actual future results may differ materially. The forward-looking information contained in this release is made as of the date hereof and LSC is not obligated to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by applicable securities laws. Because of the risks, uncertainties and assumptions contained herein, investors should not place undue reliance on forward-looking information. The foregoing statements expressly qualify any forward-looking information contained herein.
