# Aptiv Named One of World's Most Ethical Companies for Ninth Consecutive Year

2021-02-23

DUBLIN, Feb. 23, 2021 /PRNewswire/ -- For the ninth consecutive year, Aptiv PLC (NYSE: APTV), a global technology company enabling the future of mobility, announced today it has been recognized as one of the **2021 World's Most Ethical Companies** by **Ethisphere**, a global leader in defining and advancing the standards of ethical business practices.

"Aptiv's mission of enabling a safer, greener and more connected world has never been more important than it is today," said Kevin Clark, president and chief executive officer, Aptiv. "Amidst an unprecedented year of challenges, Aptiv team members were unwavering in their commitment to living our values, enabling us to keep our employees safe while delivering sustainable, long-term value to customers, shareholders, and the communities in which we operate."

Aptiv's industry-leading portfolio of advanced technologies is solving the industry's biggest challenges and enabling a safer, greener and more connected future of mobility.
