Aptiv Named One of World's Most Ethical Companies for Sixth Straight Year

2018-02-12

GILLINGHAM, England, Feb. 12, 2018 /PRNewswire/ -- Aptiv, formerly Delphi Automotive, has been recognized by the Ethisphere Institute, a global leader in defining and advancing the standards of ethical business practices, as one of the **2018 World's Most Ethical Companies®**.

"Aptiv's employees strive to operate with the highest standards of integrity," said David M. Sherbin, Aptiv senior vice president, general counsel, secretary and chief compliance officer. "This award validates our work around compliance and ethics, which we pursue tirelessly to maintain our trusted place in the global business community."

Ethisphere's World's Most Ethical Companies are selected using scores generated in five key categories: ethics and compliance program, corporate citizenship and responsibility, culture of ethics, governance, and leadership, innovation and reputation.
