

NEWS RELEASE

Delphi Executives to Present at Barclays Global Automotive Conference

2017-11-14

GILLINGHAM, England, Nov. 14, 2017 /PRNewswire/ -- Delphi Automotive PLC (NYSE: DLPH) will present Nov. 15 at Barclays Global Automotive Conference.

Delphi Automotive will become two standalone companies December 4, 2017. Liam Butterworth, the incoming president and chief executive officer for Delphi Technologies, will present on Delphi Technologies via webcast at 8 a.m. ET. Joseph Massaro, Senior Vice President and Chief Financial Officer will present via webcast at 2:15 p.m. ET on behalf of Aptiv.

A simultaneous audio webcast of the presentation will be available on the Delphi Investor Relations website at investor.delphi.com. For additional information, please contact Delphi Investor Relations at investor.relations@delphi.com, or Elena Rosman at 248.813.5091.

About Delphi

Delphi Automotive PLC is a high-technology company that integrates safer, greener and more connected solutions for the automotive and transportation sectors. Headquartered in Gillingham, U.K., Delphi operates technical centers, manufacturing sites and customer support services in 46 countries. Visit delphi.com. Delphi Automotive will become two standalone companies December 4, 2017. Aptiv (NYSE: APTV) will comprise the Electronics & Safety and Electrical/Electronic Architecture segments, focused on accelerating the commercialization of new mobility solutions by providing the vehicle 'brain' and the 'nervous system' to global automotive and new mobility customers. Delphi Technologies (NYSE: DLPH), the powertrain segment, will leverage leading technologies and software to enable next-generation advanced vehicle propulsion systems for global customers, taking advantage of the industry move to electrification.
