Valvoline Announces Opening of Three New Quick-Lube Locations in Louisville, Kentucky, Metro Area

Expands company's network of more than 1,400 company-owned, franchised and independent quick lubes

LEXINGTON, Ky., March 29, 2018 - Valvoline Inc. – a leading worldwide supplier of premium branded lubricants and automotive services – announced today the opening of three new Valvoline™ Express Care™ locations in the greater Louisville, Kentucky metro area.

A core element of Valvoline's strategy is to accelerate the growth of its industry-leading quick-lube model, which includes its Express Care platform. These three locations mark the first Express Care locations owned and operated by Apollo Lubricants, LLC, as well as Valvoline's first independently-contracted quick lubes in the greater Louisville market.

The service centers are located at 3028 Poplar Level Road in Louisville, Kentucky; 4610 Williamsburg Station in Floyds Knobs, Indiana; and 7612 County Road in

Sellersburg, Indiana. Store hours are Monday through Friday 8:30 a.m. - 6 p.m., Saturday 8:30 a.m. - 4 p.m. and closed Sunday. No appointments are necessary.

Valvoline Express Care locations are independently owned and feature Valvoline high quality motor oils, filters and automotive service chemicals to ensure you receive quality products you can trust. In addition to providing fast full-service oil changes, Express Care operators perform a wide range of preventive maintenance services, typically with no appointment necessary, including automatic transmission, radiator, coolant and power steering services; tire rotation; wiper blade and light bulb replacement. Most locations also offer fuel system services. Express Care locations offer a fast, friendly, and professional service for most vehicle makes and models, including luxury, diesel, and hybrid vehicles. Visit www.expresscare.com to learn more.
