SAN ANTONIO, April 2, 2026 /PRNewswire/ -- KB Home (NYSE: KBH), one of the largest and most trusted homebuilders in the U.S., today announced the grand opening of Nagel Crossing, its newest community in San Antonio, Texas. The new homes are designed for the way people live today, with popular features like modern kitchens overlooking large great rooms, expansive bedroom suites with walk-in closets, and lofts. Nagel Crossing's two-story floor plans feature up to four bedrooms and two-and-a-half baths. The community is near Stahl Elementary and Madison High Schools, and planned on-site amenities include a playground.

What sets KB Home apart is the company's focus on building strong, personal relationships with every customer, so they have a real partner in the homebuying process. Every KB home is uniquely built for each customer, so no two KB homes are the same. Homebuyers have the ability to personalize their new home, from floor plans to exterior styles to where they live in the community. Their home comes to life in the KB Home Design Studio, a one-of-a-kind experience where customers get both expert advice and the opportunity to select from a wide range of design choices that fit their style and their budget. Reflecting the company's commitment to creating an exceptional homebuying experience, KB Home is the #1 customer-ranked national homebuilder based on homebuyer satisfaction surveys from a leading third-party review site.

"We're excited to introduce San Antonio-area homebuyers to beautiful two-story homes in a gated

community near local schools," said Jeff Ferguson, President of KB Home's San Antonio division. "Families will also appreciate Nagel Crossing's proximity to McAllister Park, which offers biking trails, picnic areas, a dog park and athletic fields. At KB Home, we're here to help you achieve your dream with a personalized new home built uniquely for you and your life."

Innovative design plays an essential role in every home KB builds. The company's floor plans inspire contemporary living, with a focus on roomy, light-filled spaces that have easy indoor/outdoor flow. KB homes are engineered to be highly energy and water efficient and include features that support healthier indoor environments. They are also designed to be ENERGY STAR® certified — a standard that fewer than 12% of new homes nationwide meet — offering greater comfort, well-being and utility cost savings than new homes without certification.

Nagel Crossing is in a convenient location that offers homebuyers an exceptional lifestyle. The new community is situated off Jung Road, providing easy access to Loop 1604, Wurzbach Parkway and San Antonio International Airport. Residents will appreciate Nagel Crossing's proximity to the Northwoods area for shopping, dining and entertainment. Nagel Crossing is also close to outdoor recreation, including family friendly parks and golf courses.

The Nagel Crossing sales office and model homes are open for walk-in visits and private in-person tours by appointment. Homebuyers also have the flexibility to arrange a live video tour with a sales counselor. Pricing begins from the high \$200,000s.
