KB HOME NAMED TO THE 2026 TIME100 MOST INFLUENTIAL COMPANIES LIST

2026-05-22

LOS ANGELES, May 22, 2026 /PRNewswire/ -- KB Home (NYSE: KBH), one of the largest and most trusted homebuilders in the U.S., has been named to the 2026 TIME100 Most Influential Companies list. The sixth annual list highlights the top 100 companies making an extraordinary impact around the world and can be viewed on TIME's [website](#). The company also made TIME's 10 Most Influential Design and Build Companies of 2026 [list](#).

KB Home was recognized by TIME for its approach to rethinking what it means to build responsibly. In the last year, the homebuilder opened two communities in California, [Dixon Trail](#) and [Stone Canyon](#), the nation's first wildfire-resilient neighborhoods. The new communities were designed to meet the Insurance Institute for Business & Home Safety[®]'s (IBHS) highest level of protection against direct flame contact, radiant heat and embers, which helps to meaningfully reduce the likelihood of wildfire spread.

"We are proud to be recognized by TIME as one of its 100 Most Influential Companies," said [Rob McGibney](#), President and Chief Executive Officer of KB Home. "At KB Home, innovation has always been central to our mission, and these Wildfire Prepared Neighborhoods reflect our commitment to creating homes and communities designed to better serve homeowners — both today and in the future."

To assemble the list, TIME solicited nominations across sectors and polled its global network of contributors and correspondents as well as outside experts. Then TIME editors evaluated key factors, which included impact, innovation, ambition and success. The result is a diverse group of 100

businesses that are helping to chart an essential path forward.
