

# Frank Clyburn

## Executive Vice President

## Chief Commercial Officer

Frank Clyburn serves as Executive Vice President and Chief Commercial Officer for Merck and is a member of the company's Executive Committee. He is responsible for all operations and P&L across the human health commercial portfolio.

Prior to joining the Executive Committee, Frank was the President of Merck's Global Oncology business. In this role, Frank led the creation of Merck's fully integrated global business unit, launching Keytruda globally and driving significant value for Merck. He was also previously President of the Primary Care Women's Health Business Line & Market Access, responsible for \$18 billion in annual sales. Prior to this role, Frank led all of the global pharmaceutical franchises and has lived abroad on assignment in Shanghai, China and Lucerne, Switzerland. Frank joined Merck in 2008 as Senior Vice President and General Manager responsible for developing the company's strategy for biologics.

Before joining Merck, Frank was Vice President of Oncology and Internal Medicine at Sanofi Aventis and served in a wide range of commercial roles at Sanofi and prior companies. Frank currently serves on the Board of Directors of DuPont.

Frank received his MBA from Arizona State and his Bachelor of Arts from Franklin & Marshall College.
