Robert M. Davis
Executive Vice President, Global Services
Chief Financial Officer

Rob Davis serves as Chief Financial Officer and Executive Vice President, Global Services.

Prior to Merck, Rob worked for Baxter, International Inc., where he served as the company’s Corporate Vice President and President of Medical Products from 2010 through 2014. Rob previously served as Corporate Vice President and President of Baxter's renal business. He served as Baxter’s Corporate Vice President and Chief Financial Officer from 2006 through 2010, and the company’s Treasurer from 2004 through 2006. Prior to joining Baxter as treasurer in 2004, Rob worked at Eli Lilly and Company, where he held numerous positions of increasing responsibility over 14 years.

Rob serves on the Board of Directors for Duke Energy Corporation and is a member of its finance and audit committees. In addition, Rob serves on the Board of Project Hope, a non-profit organization focused on empowering healthcare workers to deliver expert care when and where it’s needed most.

Rob received his JD from Northwestern University School of Law, his MBA from Northwestern University's Kellogg Graduate School of Management, and his Bachelor’s in Finance from Miami University.
