

## NeuroPace to Present at the 24th Annual Needham Virtual Healthcare Conference

March 26, 2025 at 8:01 AM EDT

MOUNTAIN VIEW, Calif., March 26, 2025 (GLOBE NEWSWIRE) -- NeuroPace, Inc. (Nasdaq: NPCE), a medical device company focused on transforming the lives of people living with epilepsy, today announced that its management team will present at the 24th Annual Needham Virtual Healthcare Conference at 3:00pm ET (12:00pm PT) on Tuesday, April 8, 2025. Management will also host investor meetings during the conference.

The presentation will be accessible via live webcast [here](#). A webcast replay will be available for 90 days following the presentation in the [Events](#) section of NeuroPace's Investor website at <https://investors.neuropace.com>.

### **About NeuroPace, Inc.**

Based in Mountain View, Calif., NeuroPace is a medical device company focused on transforming the lives of people living with epilepsy by reducing or eliminating the occurrence of debilitating seizures. Its novel and differentiated RNS System is the first and only commercially available, brain-responsive platform that delivers personalized, real-time treatment at the seizure source. This platform can drive a better standard of care for patients living with drug-resistant epilepsy and has the potential to offer a more personalized solution and improved outcomes to the large population of patients suffering from other brain disorders.
