Flextronics To Present At The Raymond James Systems, Semiconductors, Software & Supply Chain Conference

A live webcast of the session will be available on the Investor Relations section of the Flextronics website at: http://www.flextronics.com/investors

About Flextronics

Flextronics is a leading end-to-end supply chain solutions company that delivers innovative design, engineering, manufacturing and logistics services to a range of industries and end-markets, including data networking, telecom, enterprise computing and storage, industrial, capital equipment, appliances, automation, medical, automotive, aerospace and defense, energy, mobile, computing and other electronic product categories. Flextronics is an industry leader with $26 billion in sales, generated from helping customers design, build, ship, and service their products through an unparalleled network of facilities and innovation centers in approximately 30 countries and across four continents. Flextronics service offerings and vertically integrated component technologies optimize customer supply chains by lowering costs, increasing flexibility, and reducing time-to-market.
