NEWS RELEASE

Johnson Controls announces Power Solutions Financial Analyst Event Webcast

2016-06-09

MILWAUKEE, June 9, 2016 /PRNewswire/ -- Johnson Controls, (NYSE: JCI) today announced a Power Solutions Financial Analyst Event on Monday, June 13, 2016 at its corporate headquarters in Glendale, Wisconsin. The day will include a deep dive into Power Solutions' growth opportunities, global capabilities and competitive advantages. Presenters will include Chairman and CEO Alex Molinaroli and Power Solutions President Joe Walicki along with other Power Solutions experts. Webcast presentations will begin at 10:00 a.m. CDT.

Presentations by:
Alex Molinaroli, chairman, president and CEO
Joe Walicki, president Power Solutions
Ray Shemanski, vice president & general manager Aftermarket, Power Solutions
MaryAnn Wright, group vice president Industry Relations, Power Solutions

The audio webcast of the event will be available at: http://investors.johnsoncontrols.com/news-and-events/events-and-presentations. A slide presentation will be available that morning for downloading. For those unable to participate during the live webcast, the event presentations will be archived. In addition, content will be available by following @JCI_BatteryBeat.

About Johnson Controls
Johnson Controls is a global diversified technology and industrial leader serving customers in more than 150 countries. Our 150,000 employees create quality products, services and solutions to optimize energy and operational efficiencies of buildings; lead-acid automotive batteries and advanced batteries for hybrid and electric vehicles; and seating components and systems for automobiles. Our commitment to sustainability dates back to our roots in 1885, with the invention of the first electric room thermostat. Through our growth strategies and by increasing market share we are committed to delivering value to shareholders and making our customers successful. In 2016, Corporate Responsibility Magazine recognized Johnson Controls as the #17 company in its annual "100 Best Corporate Citizens" list. For additional information, please visit http://www.johnsoncontrols.com or follow us @johnsoncontrols on Twitter.

About Johnson Controls Power Solutions
Johnson Controls Power Solutions is the world's largest manufacturer of automotive batteries, supplying approximately 146 million every year to automakers and aftermarket retailers. Our full range of lead-acid and lithium-ion battery technology powers nearly every type of vehicle for our customers-including traditional, start-stop, micro-hybrid, hybrid and electric. Johnson Controls' recycling system has helped make automotive batteries the most recycled consumer product in the world. Globally, 15,000 employees develop, manufacture, distribute and recycle batteries at more than 50 locations. For more information, please visit http://www.JohnsonControls.com/PowerSolutions or follow @JCI_BatteryBeat on Twitter.
