Booker by Mindbody Now Integrates with Weave

2023-10-20

New integration opens up powerful Weave features for Booker by Mindbody's wellness providers

LEHI, Utah--(BUSINESS WIRE)-- [Weave](#) (NYSE: WEAV), a leading all-in-one experience platform for small and medium-sized healthcare businesses, today announced an integration with Booker by Mindbody, a leading experience technology platform for the wellness and beauty industries. This integration combines two leading software solutions to fuel powerful experiences for customers and unlocks the following Weave features:

Appointment Reminders: Keep your schedule full with automated appointment reminders sent to clients from Weave.

Call Pop: View client information like household name, demographics and a photo while assisting them over the phone.

Save the Date Reminders: Send automated reminders shortly after an appointment is scheduled so clients can add it as an event on their calendars.

Schedule Sync: Filter your schedule by confirmed and unconfirmed clients, appointment type and staff member—then utilize Weave's built-in communication tools to follow up with individuals on your schedule.

Reviews Auto-texting: Customize and schedule automated texts to solicit reviews from customers after their appointments to build your presence online.
