2024-12-05

*Annual list recognizes B2B companies with demonstrated success in supporting entrepreneurs and driving business growth*

LEHI, Utah--(BUSINESS WIRE)-- [Weave](#) (NYSE: WEAV), a leading all-in-one customer experience and payments software platform for small and medium-sized healthcare businesses, was named a 2024 Inc. Power Partner Award winner. The prestigious list honors B2B organizations with proven track records supporting entrepreneurs. Weave received top marks from customers for being instrumental in helping their customers' businesses grow.

"Healthcare providers, who often operate without the support of dedicated IT, business intelligence, or marketing teams, rely on intuitive software like Weave to thrive," said Brett White, CEO of Weave. "Our platform provides powerful tools to improve patient engagement, automate communication and payment workflows, and ensure data accuracy, ultimately enabling our customers to focus more on patient care."

Weave's mission is to improve healthcare experiences for both patients and the practices that serve them. Weave optimizes office operations and enhances growth through better patient communication and engagement. Weave offers a powerful and flexible payments platform designed to accelerate collections and increase acceptance rates for additional services. By integrating billing and payment requests into a practice's communication workflows—using their trusted phone number and domain—Weave shortens payment timelines, reduces accounts receivable and write-offs, and drives overall growth and profitability.

"This is our definitive listing of vendors and suppliers who have demonstrated excellence in serving small- and midsize customers," says Inc. editor-in-chief Mike Hofman. "As part of the vetting process, our team of editors, researchers, and reporters gathered information on companies' products and services, assessed their reputation as captured in online comments and forums, and collected customer testimonials to ensure that the sales pitch matches the actual client experience. In every case, we spoke to founders like you who were happy to attest to a vendor's genuine commitment to a mutually beneficial business partnership. We're happy to be the conduit for that positive word of mouth."

This recognition comes on the heels of several other recent accolades for Weave, including ranking in [the top 20 best places to work in Utah](#), [top 25 on the 2024 Utah 100](#), [MountainWest Capital Network \(MWCN\)'s annual list of the fastest-growing companies in Utah](#), ranking [first in 21 categories in the G2 2024 Fall Report](#), making the [Great Place to Work in the U.S. and India list](#), and being featured on [Inc.'s Annual List of Best Workplaces for 2024](#).
