Weave Completes TrueLark Acquisition

2025-05-19

Files S-3 Registration Statement for Equity Issuance

LEHI, Utah--(BUSINESS WIRE)-- **Weave (NYSE: WEAV)**, a leading all-in-one customer experience and payments software platform for small and medium-sized healthcare businesses, today announced the successful closing of its previously announced acquisition of [TrueLark](#). Truelark is an AI-powered receptionist and front-desk automation platform. The transaction marks a significant milestone in Weave's strategy to lead the next evolution of AI in healthcare communications.

Additionally, on May 16, 2025, Weave filed a shelf registration statement on Form S-3 with the U.S. Securities and Exchange Commission to facilitate the registration for resale of the shares issued in the TrueLark transaction, as required by the merger agreement. Weave has no current plans to offer or sell any additional securities to the public under this shelf registration.

About Weave

Weave is a leading all-in-one customer experience and payments software platform for small and medium-sized healthcare businesses. From the first phone call to the final invoice and every touchpoint in between, Weave connects the entire patient journey. Weave's software solutions transform how healthcare practices attract, communicate with, and engage patients and clients to grow their business. Weave seamlessly integrates billing and payment requests into communication workflows, streamlining payment timelines, reducing accounts receivable, and supporting practice profitability. In the past year, Weave has been named an Inc. Power Partner, a G2 leader in Patient Relationship Management software and a Top 50 Product for Small Business.
