Weave Earns 2026 Great Place To Work Certification™

2026-10-15

LEHI, Utah--(BUSINESS WIRE)-- Weave is proud to be Certified™ by Great Place To Work® for the 8th year in a row. The prestigious award is based entirely on what current employees say about their experience working at Weave. This year, 77% of employees said it's a great place To Work – 20 points higher than the average U.S. company.

Great Place To Work® is the global authority on workplace culture, employee experience, and the leadership behaviors proven to deliver market-leading revenue, employee retention, and increased innovation.

"Great Place To Work Certification is a highly coveted achievement that requires consistent and intentional dedication to the overall employee experience," says Sarah Lewis-Kulin, the Vice President of Global Recognition at Great Place To Work. She emphasizes that Certification is the sole official recognition earned by the real-time feedback of employees regarding their company culture. "By successfully earning this recognition, it is evident that Weave stands out as one of the top companies to work for, providing a great workplace environment for its employees."

"Eight consecutive years of certification doesn't happen by accident. It's the result of thousands of daily choices our people make to show up for each other. One of our core values is to 'care more,' and this recognition reflects how deeply that value lives in our culture. We're grateful to every Weave employee who makes this a place people want to be," said Brooke Shreeve, Chief People Officer at Weave.

According to [Great Place To Work research](#), job seekers are 4.5 times more likely to find a great boss at a Certified great workplace. Additionally, employees at Certified workplaces are 93% more likely to look forward to coming to work, and are twice as likely to be paid fairly, earn a fair share of the company's profits, and have a fair chance at promotion.
