Weave Earns Spot on G2's 2025 Best Software Awards for Best Healthcare Software Products

2025-04-29

LEHI, Utah--(BUSINESS WIRE)-- [Weave](#) (NYSE: WEAV), a leading all-in-one customer experience and payments software platform for small and medium-sized healthcare businesses, ranked in the top 50 on G2's 2025 Best Software Awards for the Best Healthcare Software Products list.

G2 is the world's largest and most trusted software marketplace, reaching 100 million buyers annually. The annual Best Software Awards rank the world's best software companies and products based on authentic, timely reviews from real users. Earning a spot on the 2025 Best Software Awards list is a testament to Weave's commitment to putting customers first and creating outstanding products that address everyday patient and provider needs.

"At Weave, our mission is to help our customers provide their patients with excellent care," said Brett White, CEO of Weave. "The feedback we receive through G2 helps us understand how our customers feel about our product, and where we can further support our customers' specific, unique business needs."

Weave recently launched a fully redesigned, AI-powered platform built for simplicity and efficiency. The new platform streamlines operations for multi-location practices like DSOs, vision, veterinary, and medical groups by consolidating tasks into a unified view to standardize workflows, improve efficiency, and accelerate revenue cycle management. Weave also introduced AI-powered Call Intelligence, which transforms how healthcare practices analyze and leverage call data with sentiment analysis, categorization, transcription, and revenue opportunity identification. The company has announced new integrations with Prompt, Practice Fusion, and Veradigm, expanding its capabilities for medical practices across a range of specialties.

Weave enables healthcare practices to automate tasks, improve data accuracy, streamline payment workflows, and provide seamless care to patients. Weave receiving the G2 2025 Best Software Award follows multiple awards for workplace excellence, business performance, and employee satisfaction. These include being selected as an [Overall SaaS Award Winner for the APPEALIE SaaS and Software Awards](#), being named a [Great Place to Work list in the U.S. and India](#), as well as being named an [Inc. 2024 Power Partner Award Winner](#).
