Weave's unique ability to assist along the entire customer journey sets it apart from other communications and engagement platforms. Small businesses that utilize Weave are better able to attract, retain and engage new customers by leveraging features like missed-call text, appointment reminders, online scheduling, digital forms and more.

"The customer is everything at Weave, and I'm grateful for how they champion our products every day," said Brett White, Weave's CEO. "Weave is compelling to small business owners because it can automate the most tedious and time-consuming tasks, saving their office time and money while delivering a better customer experience."

G2's top products are ranked based on reviews across all categories they are a part of. To be recognized as a Best Software Award winner, a software company or product must receive at least 50 approved and published reviews during the 2022 calendar year. Scores reflect only data from reviews submitted during this evaluation period.

Weave's all-in-one platform has continuously been recognized as an industry leader. Recently Weave won a Dentaltown Townie Award for Best Patient Communication System and was named the Best SMB CRM Solution by the Martech Breakthrough Awards.
