Weave Named a Leader Across 34 Categories in G2's 2025 Summer Report

2025-07-30

LEHI, Utah--(BUSINESS WIRE)-- [Weave](#) (NYSE: WEAV), a leading all-in-one customer experience and payments software platform for small and medium-sized healthcare businesses, ranked first in 34 categories in [G2's 2025 Summer Report](#). The company also earned 63 badges and was again named a leader in the Grid for Patient Relationship Management (PRM) Software.

G2 is the largest and most trusted software marketplace. Placement in the G2 Report is based on authentic customer reviews, customer satisfaction, and market presence. Weave's inclusion in 94 reports this quarter is a testament to the company's commitment to putting customers first and creating outstanding products that address everyday patient and provider needs.

Weave recently acquired [TrueLark](#), an AI-powered receptionist and front-desk automation platform. By integrating agentic AI to manage communication workflows 24/7, Weave is helping healthcare teams shift from reactive responses to proactive engagement—capturing every opportunity, even outside business hours.

"Receiving multiple G2 leadership badges reinforces that we're on the right path with our AI-first approach to healthcare automation," said Brett White, CEO of Weave. "Customer feedback consistently shows demand for smarter automation solutions, and these awards validate our strategy of integrating conversational AI to solve real operational pain points."

Weave ranked first in the following categories:

- Small-Business Grid® Report for Patient Relationship Management (PRM)
- Grid® Report for Patient Relationship Management (PRM)
