Weave Placed First in 27 Categories in G2 2023 Winter Report

2023-12-19

Driven by verified customer reviews, Weave has been named a leader in 27 different categories and earned 61 badges

LEHI, Utah--(BUSINESS WIRE)-- Weave (NYSE: WEAV), a leading all-in-one experience platform for small and medium-sized healthcare practices, ranked first in 27 categories in G2's 2023 Winter Report and won 61 badges, including leadership on the Grid® Report for Patient Relationship Management (PRM) and Patient Scheduling Software.

G2 is the largest and most trusted software marketplace. Placement in the G2 Report is based on authentic customer reviews, customer satisfaction, and market presence. Weave's inclusion in a total of 84 reports this quarter – including five new categories – is a testament to the company's commitment to creating outstanding products that meet a wide variety of customer needs.

Weave has recently released product enhancements to further meet the needs of small and medium-sized healthcare businesses, adding [AI-driven voicemail transcriptions](#), expanding [flexible payment plan](#) options for patients through a partnership with Affirm, and releasing new integrations with Dentrix Ascend, 4th Dimension EMR, and Booker by Mindbody, among others.

"We are pleased to be named a top company in several G2 reports this quarter," said Brett White, CEO of Weave. "Weave is committed to offering the very best solutions for our customers so they can consistently improve patient satisfaction and care. Our repeated inclusion in G2's lists marks Weave as a company that has earned customer trust and loyalty, which we hold in the highest regard."
