2024-07-15

*Driven by verified customer reviews, Weave ranked first in 27 categories and earned 54 badges*

LEHI, Utah--(BUSINESS WIRE)-- [Weave](#) (NYSE: WEAV), a leading all-in-one experience platform for small- and medium-sized healthcare practices, was named in the top 50 of best software products for small businesses in the [G2 2024 Summer Report](#). The company ranked first in 27 categories, was named in 83 reports and earned 54 badges, including Best Usability and Best Implementation for Small Business.

G2 is the largest and most trusted software marketplace. Recognition in the G2 reports is based on the cumulative data obtained through the responses of real users for each of the categories featured in the review database. Weave's inclusion in 83 reports this quarter is a testament to its commitment to putting customers first and creating outstanding products that address everyday patient and provider needs.

Weave recently released enhanced platform features, including its [enterprise experience](#), which helps small- and medium-sized healthcare practices with multi-location practices improve their revenue cycle management velocity; and [Partner Marketplace](#), optimizing practice operations and elevating patient care. Weave also released integrations with [DrChrono by EverHealth](#), [Shepherd](#), [InfiniteVT](#), and [ezyVet](#).

"Healthcare practitioners are motivated by a passion to improve people's lives but find themselves constantly bogged down by administrative workflows. At Weave, we're changing that paradigm, helping providers spend less time on administrative tasks to get back to the work that truly matters—delivering the highest level of care to patients globally," said Brett White, CEO of Weave. "G2's recognition validates the work our entire team is doing and inspires us to continue to deliver excellence."
