Weave Ranked First in 21 Categories in Leading Software Review Platform G2's 2024 Fall Report

2024-09-30

Driven by verified customer reviews, Weave ranked first in 21 categories and earned 48 badges

LEHI, Utah--(BUSINESS WIRE)-- [Weave](#) (NYSE: WEAV), a leading all-in-one customer experience software and payments platform, ranked first in 21 categories and won 48 badges in [G2's 2024 Fall Report](#), including Best Patient Relationship Management and Best Usability for Small Business.

Recognition in G2's quarterly reports is based on cumulative data gathered from authentic user reviews across all categories in its database. Weave's inclusion in 86 reports this quarter is a testament to its commitment to putting customers first and creating outstanding products that address everyday patient and provider needs.

Weave recently released enhanced platform features, including [Payment Reminders](#), designed to improve revenue cycle management by enabling practices to turn each Weave payment invoice or Text to Pay request into a collection campaign. Weave also released an integration with [eClinicalWorks](#), the largest cloud-based EHR software in the U.S.

"We are honored to again be included as a leader in multiple G2 reports," said Brett White, CEO of Weave. "Weave has been at the forefront of providing enhanced solutions to healthcare businesses for years. Our customers are at the core of what we do, and the customer feedback we receive through these reports drives us to deliver innovative products that will help our customers' practices grow."

Weave ranked first in the following categories:

- Grid[®] Report for Patient Relationship Management (PRM)
- Momentum Grid[®] Report for Patient Intake
- Small-Business Usability Index for Patient Intake
