Weave Ranked First in 23 Categories in G2's 2025 Winter Report

2025-02-03

Driven by verified customer reviews, Weave also earned 45 badges from the leading software review platform

LEHI, Utah--(BUSINESS WIRE)-- [Weave](#) (NYSE: WEAV), a leading all-in-one customer experience and payments software platform for small and medium-sized healthcare businesses, ranked first in 23 categories in the [G2 2025 Winter Report](#). The company was also named in 87 reports and earned 45 badges, including Best Patient Relationship Management (PRM) Software.

G2 is the largest and most trusted software marketplace. Recognition in G2 reports is based on the cumulative data obtained through responses from real users for each of the categories featured in the review database. Weave's inclusion in 87 reports this quarter is a testament to its commitment to putting customers first and creating outstanding products that address everyday patient and provider needs.

Weave recently released enhanced platform features, including [AI-powered Call Intelligence](#) for Healthcare Practices, which gives healthcare providers the ability to easily extract actionable insights from their call data through automated call categorization and revenue opportunity identification.

"Improving healthcare experiences and relationships between providers and patients is at the center of Weave's mission," said Brett White, CEO of Weave. "We don't take for granted being recognized as a leader in multiple G2 reports. The feedback we receive through these reports drives the entire Weave team to continue to build and provide even better solutions for our customers."
