Event now available to stream online

LEHI, Utah--(BUSINESS WIRE)-- [Weave](#) (NYSE: WEAV), a leading all-in-one patient experience and payments software platform for small and medium-sized healthcare businesses, today announced its Fall 2024 Showcase, unveiling groundbreaking innovations to transform how healthcare practices communicate, operate, and grow. The event highlights Weave's commitment to providing innovative solutions that empower healthcare practices to thrive in an evolving technology landscape.

The Fall 2024 Showcase features several major announcements, including the new Weave platform, enhanced solutions for multi-location practices, and powerful new tools for leveraging practice data with AI. The showcase also reveals new ways to optimize Weave Payments to accelerate payment collection and reduce accounts receivable.

Key Highlights from the Fall 2024 Showcase:

- **Revolutionary Platform Enhancements:** Discover the new Weave platform, with an enhanced user interface that simplifies daily operations and provides valuable new real estate for multitasking. The new Weave includes an AI-powered Assistant integrated into the platform, which helps customers craft personalized responses to reviews, write professional branded emails, and automate tasks like message tagging and voicemail transcriptions.
- **Optimized Multi-Location Solutions:** Learn how Weave's latest update makes it easier for practices with multiple locations to manage operations seamlessly across different sites.
- **AI and Analytics Advancements:** Get an in-depth look at how Weave's Call Intelligence product uses AI to easily extract actionable insights from call data through automated call categorization and revenue opportunity identification.
- **Enhanced Weave Payments:** Explore innovative new features in Weave Payments, designed to help practices collect more outstanding balances by enabling them to turn each Weave payment invoice or Text to Pay request into a "set-it-and-forget-it" collection campaign.
- **Exciting New Partnerships:** Discover strategic partnerships that expand Weave's capabilities and offer new benefits to users, further enhancing the platform's comprehensive approach to practice management.

"We are thrilled to share the exciting new ways Weave is evolving our platform and partnerships to meet the unique needs of healthcare practices," said Branden Neish, Chief Product and Technology Officer of Weave. "The innovations at our Fall 2024 Showcase demonstrate our dedication to

transforming practice operations, leveraging technology like AI, and further integrating billing and payments into practice workflows to help practices profitably grow.”

The Fall 2024 Showcase demonstrates Weave’s ongoing commitment to elevating healthcare experiences by providing cutting-edge technology solutions that improve practice efficiency, patient engagement, and overall business growth.
