

NEWS RELEASE

BlackSky to Host Fourth Quarter and Full Year 2025 Results Conference Call

2026-02-05

HERNDON, Va.--(BUSINESS WIRE)-- BlackSky Technology Inc. (NYSE: **BKSY**) will host a live webcast and conference call to discuss fourth quarter and full year 2025 financial results and its business outlook on Thursday, February 26, 2026, at 8:30 a.m. EST. A press release with BlackSky's financial results will be released in advance of the conference call that same day.

To access the live webcast, please click [here](#) or visit the company's investor relations website at <http://ir.blacksky.com> and then select "News & Events". To eliminate wait times, conference call participants may pre-register [here](#). After registering, a confirmation with access details will be sent via email. The webcast and conference call will be archived on the investor relations website following completion of the call.

About BlackSky

BlackSky is a real-time, space-based intelligence company that delivers on-demand, high frequency imagery, analytics, and high-frequency monitoring of the most critical and strategic locations, economic assets, and events in the world. BlackSky owns and operates one of the industry's most advanced, purpose-built commercial, real-time intelligence system that combines the power of the BlackSky Spectra® tasking and analytics software platform and our proprietary low earth orbit satellite constellation.

With BlackSky, customers can see, understand and anticipate changes for a decisive strategic advantage at the tactical edge, and act not just fast, but first. BlackSky is trusted by some of the most demanding U.S. and international government agencies, commercial businesses, and organizations around the world. BlackSky is

headquartered in Herndon, VA, and is publicly traded on the New York Stock Exchange as BKSY. To learn more, visit www.blacksky.com and follow us on X (Twitter).
