NEWS RELEASE

Waste Connections Announces Dates For Second Quarter 2016 Earnings Release

2016-07-11

TORONTO, July 11, 2016 /[PRNewswire](#)/ -- Waste Connections, Inc. (TSX/NYSE: WCN) announced that it will report financial results for the second quarter of 2016 after the close of the stock market on August 3, 2016. The Company will be hosting an investor conference call related to this release on August 4th at 8:30 A.M. Eastern Time.

To access the call, listeners should dial 888-612-1046 (within North America) or 303-223-2694 (international) approximately 10 minutes prior to the scheduled start time and ask the operator for the Waste Connections conference call (a Passcode is not required). A replay of the conference call will be available until August 11, 2016, by calling 800-633-8284 (within North America) or 402-977-9140 (international) and entering Passcode # 21813826.

The call also will be broadcast live over the Internet at www.streetevents.com or through a link on our website at www.wasteconnections.com. A playback of the call will be available at both of these websites. Copies of financial literature, including this release, are available on the Waste Connections website at www.wasteconnections.com or through contacting us directly at 832-442-2200.

Waste Connections also announced that executives of the Company currently plan on presenting at the following event during the third quarter of 2016:

Sept. 21st CIBC Institutional Investor Conference (Montreal)

Although this presentation is not expected to include any material non-public information, the Company will post the presentation slides on its web site at www.wasteconnections.com under the tabs titled Investor Presentations and Investor Relations. The slides will be posted some time during

the 24-hour period prior to the scheduled presentation time.

Waste Connections is an integrated solid waste services company that provides waste collection, transfer, disposal and recycling services in mostly exclusive and secondary markets in the U.S. and Canada. Through its R360 Environmental Solutions subsidiary, Waste Connections is also a leading provider of non-hazardous oilfield waste treatment, recovery and disposal services in several of the most active natural resource producing areas in the United States, including the Permian, Bakken and Eagle Ford Basins. Waste Connections serves more than six million residential, commercial, industrial, and exploration and production customers from a network of operations in 39 states and the District of Columbia, and six provinces. Waste Connections also provides intermodal services for the movement of cargo and solid waste containers in the Pacific Northwest.
