AMPHENOL RELEASES **2025 SUSTAINABILITY REPORT**

Wallingford, Connecticut, April 22, 2026. Amphenol Corporation (NYSE: APH) today released its 2025 Sustainability Report.

“I am pleased to share Amphenol’s 2025 Sustainability Report, which highlights our many areas of progress and success throughout the Company,” said Amphenol President and Chief Executive Officer, R. Adam Norwitt.

“2025 was an exceptional year for Amphenol. Our global team delivered record-breaking financial performance, with outstanding sales growth and industry-leading profitability, all while strengthening and remaining true to our entrepreneurial culture. We are also proud to have made meaningful progress on our sustainability program. During 2025, we completed three of our goals aligned with the United Nations Sustainable Development Goals and established three new goals as we continue to drive further sustainability improvements across the Company.”

“Our progress is a direct result of the dedication and hard work of our employees around the world. Their passion for innovation and commitment to always do the right thing ensure that Amphenol remains a positive contributor to the communities in which we operate. Ultimately, this has helped us to drive long-term sustainable success for our shareholders, customers and employees.”
